Re: Request for public meeting with FERC

Dear Supervisor Smith:

The Westport Municipal Advisory Council believes that it is important to keep the public informed about the progress of wave energy licensing. It is our understanding that the County Counsel's office will meet with FERC officials in January. We strongly encourage you and the County Counsel to ask FERC officials to schedule a public meeting at that time.

We look forward to your response. Please contact me with any questions about this matter at (707) 964-7272 or ThadVanBueren@directv.net.

Sincerely,

Thad M. Van Bueren, Chair
